Tradicionalni vsakoletni izlov kitov na Ferskih otokih

Bogat ulov norveških ribičev

# GOZDARSTVO

- Švedska in Finska,
- industrija na osnovi lesa

An aerial photograph of an offshore oil platform under construction. The platform is a large, multi-tiered structure with red hulls and white superstructures. Several orange construction cranes are visible, some with long booms extending over the platform. In the background, several smaller black and white support vessels, likely tugboats or supply ships, are positioned around the platform. The water is a dark grey-blue.

naftna ploščad

platforma gradnja

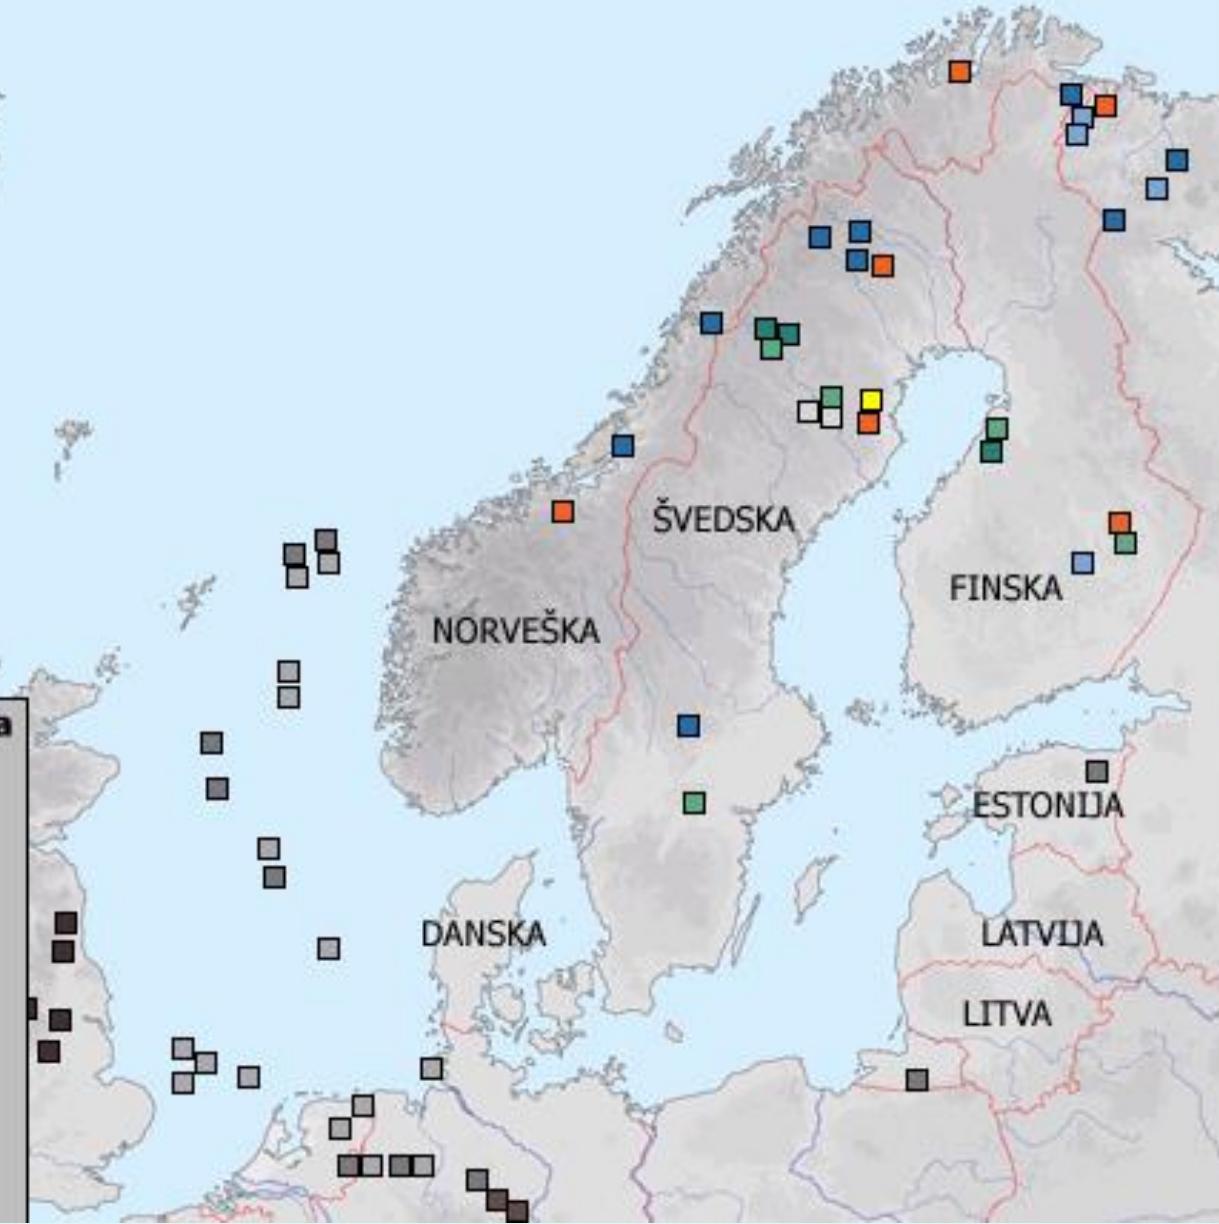

## RUDARSTVO IN ENERGETIKA

- železo na Švedskem,
- malo surovin,
- nafta v morju,
- vodna energija
